

The 30th Annual

## MONSTER MARATHON (& HALF)

### 13.1 and 26.2 Mile Trail Runs

Saturday, September 22nd, 2018

#### ABOUT

These trail races use the Cayuga and Finger Lakes Trails to provide views of some of the most beautiful gorges in Ithaca, NY. The course consists of two identical out-and-backs of 13.1 miles each, starting at Robert H. Treman State Park and traversing mostly single-track trails. Don't let the fact that the races start in a park fool you—the course includes its fair share of roots, rocks, steps, briars, steep climbs, and quad-pounding descents.

The Monster Marathon and Half Marathon feature age/sex-based early starts. Men under age 38 start with the race clock, but women and older men head off early, with the individual handicaps determined by the World Masters Athletics Age-Graded Tables. The win could come down to a kick to the finish between a 65-year-old grandmother (101-minute head start) and her 40-year-old son (4-minute head start).

#### WHERE

Race start and finish is at the South Shelter, Lower Treman (across the creek from the main parking lot). Robert H. Treman State Park, 105 Enfield Falls Road, Ithaca, NY 14850. Be prepared to pay an \$8 New York State Parks admission fee.

#### WHEN

Both races have age/sex-staggered head starts; please arrive at least 15 minutes before your start time. The race clock starts at 8 AM for the marathon and 9 AM for the half marathon. You can look up your handicap and start time on the race Web site linked below.
