Herb also requested that someone attend the next workshop (10/23/01) concerning the Black Diamond Trail so that runners can have some representation.

Race Reports:

5 & 10: : Lorrie reported that there were major problems with results. Margaret Betz set an American age-group record. The race netted approximately \$3,000.

Upcoming Races:

Danby Down and Dirty: Sue reported she has shirts and volunteers have been lined up. She needs some help marking the course.

Indoor track meets: Tim reported that we could start discussing these meets at the next meeting. He is looking for volunteers for particular meets.

Other Business:

The race calendar was discussed with some tentative dates. Lorrie will e-mail this tentative schedule to solicit comments/correction/updates. The calendar is to be finalized at the next meeting.

Lorrie raised the issue of purchasing new computer equipment and software for timing/results. Joe gave a brief history the present equipment and software and warned that unless we get a commitment for dedicated operators we should hold off on new purchases of this type. Discussion on this issue will be continued.

Doug Kibby asked that his membership dues be waived. Lorrie moved and Alan seconded a motion to grant this waiver. The motion passed unanimously.

Alan suggested that race directors not run in the races they direct so that there is a person in charge and accessible at all times during a race. Alternatively, there should be an announced co-director for the race.

Finances:

John Sholeen reported that our checkbook balance is approximately \$8000. The scholarship fund has about \$1300 in it.
